

Dear Member,

ISACA Bangalore Chapter is pleased to invite you to a **One Day Workshop on CobiT 4.1**.

<b>Theme</b>	<i>Using CobiT 4.1 for IT Governance and IT Assurance; A step by step methodology</i>
<b>Date</b>	<b>Saturday, 5<sup>th</sup> December 2009</b>
<b>Venue</b>	The Pride Hotel, 93, Richmond Road, Near Baldwin Girls Junior College Bangalore - 560 025 (Ph: +91.80.4348 4348)
<b>Time</b>	9.30 am to 5.30 pm
<b>Fees</b>	Rs. 1,950 for Members and Rs. 2,350/- (inclusive of S.T. @10.3%) for Non-Members (Inclusive of Course Materials, Refreshments and Lunch)
<b>Seminar Objectives</b>	<p>COBIT is an authoritative, up-to-date international set of generally accepted IT management best practices and control objectives written for business executives, IT professionals and IT auditors. It continues to develop as the leading guidance and set of resources for helping organizations to better manage IT, and provides a framework for implementing IT governance. This one-day workshop is specifically aimed at IT Governance and assurance professionals and covers the concepts and practice of IT Governance and CobiT. It could be useful for candidates preparing for CISA/CISM/CGEIT certifications. The workshop will de-mystify CobiT and provide concepts, techniques and templates for using and customizing CobiT as required.</p> <p>Participants will learn how to implement CobiT 4.1 as the IT Governance model to which they can link their enterprise-specific operational and control requirements, policies, and standards. Participants will learn the step-by-step methodology based on IT assurance guide which is presented through various case studies based on extensive experience of workshop leader in using CobiT for IT Governance, IS Assurance and consulting assignments.</p> <p><i>Note: Those who attend this 1-day workshop are eligible to attend the 2-day official workshop on "Using CobiT for Implementing continually improving IT Governance" (without attending the CobiT Foundation course). The 2 day workshop is tentatively scheduled in Jan. 2010</i></p>
<b>Topics</b>	<ol style="list-style-type: none"><li>1. Overview of IT Governance and CobiT</li><li>2. Understanding principles and components of CobiT</li><li>3. Practical approach and case studies of using CobiT for self-assessment, implementing IT Governance and for IT assurance assignments.</li><li>4. Practical approach to using CobiT as per step by step methodology based on IT assurance guide.</li></ol>

<b>Workshop Leader</b>	A.Rafeq, FCA, CISA, CGEIT, CIA, CCSA, is an IT Governance and assurance professional with experience over 25 years in varied roles such as CFO, CIO, IT implementer, IT consultant, IT Auditor and CobiT Trainer. He is CobiT user and implementer for over 12 years and is a well-known CobiT evangelist. Rafeq has made presentations on IT Governance, IT assurance and CobiT implementation at international conference of ISACA across the world since a decade. He is a globally recognized trainer on CobiT and has conducted more than 120 days of training on CobiT. He is well-versed with various components of CobiT and his workshops are popular for de-mystifying and simplifying CobiT usage. Rafeq is founder secretary and past president of ISACA, Bangalore chapter. He is member of CGEIT Certification Committee of ISACA, USA and Member of CobiT 5.0 Task Force of ISACA, USA.
<b>Who should Attend</b>	IT Auditors, IT Head, Consultants, Regulators, IT Security and Control Professionals, IT Managers, Audit Managers and IT Professionals who wish to learn how to use CobiT for providing proactive IT Controls Consulting, IT audit and assurance services.
<b>CPE Hours</b>	<i>Members can earn 7 CPE hours in accordance with ISACA guidelines. Certificate of attendance will be issued by ISACA, Bangalore chapter.</i>

[The details of this program and online registration is also available at the chapter website](#)

Members are requested to register early, to avoid disappointment, by completing the Application Form and making appropriate payment of fees by cheque from a local bank or a draft payable in Bangalore in favor of **ISACA, Bangalore Chapter or register and pay online**. Registrations will be considered strictly on a first-come-first-served basis.

We request you to take this opportunity to update yourself on practical implementation of CobiT. For further information, contact the chapter office on 080-23377956.

Director Programs

***\*2-day official workshop on "Using CobiT for implementing continually improving IT Governance"***

The workshop is case study oriented and is designed to help you in understanding what it takes to implement the CobiT framework in your organization and how you can organize a route towards implementation of CobiT. This ISACA accredited CobiT workshop is for those who have a fundamental working knowledge of CobiT, but lack practical IT management and governance implementation experience. This workshop will be based on new guide: ***"Implementing continually improving IT Governance" expected to be released by end of Dec. 2009.***

***Only participants who have attended this 1-day workshop, the earlier 1-day workshop or those who have passed the CobiT foundation exam are eligible to attend the official 2-day CobiT workshop coming up in Jan '10***
